

Dear Sir/Madam,

We are **SC Racers**, an F1 In Schools team that is participating in the *F1 in Schools Competition* for Sha Tin College (ESF) and will **represent Hong Kong** in the **F1 In Schools 2015 World Finals** in Singapore.

We seek sponsorship to help us acquire the necessary materials required for our car and enable our team to travel to Singapore to participate in the World Finals, which will take place between the xth and yst of Fauxember at Resorts World Sentosa. The competition requires us to *research, plan, design, model, make, test* and *race* a miniature F1 car made of balsa wood.

Many teams and people from around the world will attend the event so the name and brand of the company will be seen before and during the competition. We will provide you with a report of the event and photographs of your name on the car.

We aim to raise HKD \$150,000 for the competition. This covers *flights, equipment, uniform, resources and materials* and *accommodation*.

Team award winners Eddy Park, Manfung Yeung and Alex Harfitt receiving the engineering award for an outstanding car at Kellet School in Hong Kong during the national finals.

Award certificate and F1 scale model of the car that won the National championship in May, beating five other schools from Hong Kong in an intense day of events and presentations.

Explosive start to a race where the power to scale ratio creates a plume of smoke as the car speeds along the track.

We would be very grateful if you would help us to achieve our goal by sponsoring us. Your company's branding will appear on our team uniform, including the shirt and cap, and/or on the car.

If you choose to sponsor us, we ask that you write a cheque payable to "Sha Tin College". We will provide you with a receipt of your sponsorship. If your company is interested, please contact me with the amount you would like to sponsor us for. If you have any questions please do not hesitate to contact us at any of the email addresses listed below.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'A Harfitt', is displayed on a light blue rectangular background.
